DESCRIPTION: Attractive short hunting bow. This Hunter II is marked 52" as were all Hunter II of this model. However, this bow is closer to 50" and I shoot it with a 50" string. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No drilled holes; No chips, dings or cracks. One short faint stress line near the riser in the in the face limbs above the sight window. No crazing. A few minor scratches and nicks here and there. Decal is in good shape. Overall, this is a really nice bow in excellent condition for its age.
