CCSD Conflict Policy:

1. If there are conflicting rehearsals with two CCSD activities, the overlapping time **must be split**
2. If there is a conflicting practice/ rehearsal and a performance/game, the student must attend the performance/game.
3. If there are two performances/games conflicting, the student can choose which to attend with no penalty.

However; advisors/coaches have the right to determine whether or not the missed practice/rehearsals are affecting the student's ability to fulfill their responsibilities on the team and may be removed from the affected team for this reason.

Marching Band Attire:

Students must **show up** to rehearsal wearing a **plain white shirt (colored logos acceptable), athletic shorts/pants (any color), closed toe athletic shoes. NO JEANS, NO FLIP FLOPS, NO SANDALS, NO EXCEPTIONS.** For night rehearsals, no time will be given to students to "dress out". Students who are not in the proper attire will receive half credit, or no credits, and may be asked to return home.
