Financial

- Stipends were provided to qualifying skaters who progressed to the final levels of competition for their event at Easterns and Nationals
- Synchronized teams that qualified for Nationals or International events were supported with stipends and/or jackets
- The Capitol Skating Fund (CSF) will become part of the Washington FSC this year, which means that financial support for skaters and organizations from the CSF will continue, but under the umbrella of the WFSC
- COVID-19 has impacted the club in the postponing of tests and the Potomac Open competition, but the club remains sound financially
- Membership Fees will remain the same for the 2020-2021 season
- Testing will become a challenge to carry out appropriate distancing for skaters and judges on what is likely to be expensive ice. We will have to create cost effectiveness
