### ANNEXATION DECLARATION

[Declaration of Annexation of Additional Parcel, known as The Cascades, Plat No. 3  
to The Cascades Development]

THIS ANNEXATION DECLARATION ("this Annexation Declaration") is executed on this 21 day of October, 2004, by **LPBW DEVELOPMENT CO., LLC**, a Missouri limited liability company [address: Attn: Mr. Robert A. Wolverton, Manager, 2504 St. Regis Court, Columbia, MO 65203], which such limited liability company may hereinafter be referred to as "the Developer."

WITNESSETH:

### BACKGROUND RECITALS ["Recitals"]

This Annexation Declaration is executed and recorded by the Developer in view of the following facts, matters and circumstances:

On the 6th day of March, 2003, the Developer executed a document titled "Declaration of Covenants, Easements and Restrictions of The Cascades, a Subdivision of Boone County, Missouri." Such document may hereinafter be referred to as "the Declaration." The Declaration is recorded in Book 02146 at Page 0711 of the Real Estate Records of Boone County, Missouri. Such Declaration, at the outset, applied to a parcel of land located in Boone County, Missouri, which had been platted by the plat of The Cascades Plat 1, recorded in Plat Book 36 at Page 92 of the Real Estate Records of Boone County, Missouri, including, but not limited to, each of Lots 1 through 156 of The Cascades Plat 1, as shown by such plat.

The initial parcel (The Cascades Plat 1) that was subjected to the provisions of the Declaration and the covenants, easements, reservations and restrictions imposed by the Declaration is contained within land owned by the Developer, which is referred to in the Declaration as "the Developer's Land." The "Developer's Land" is specifically described in the Declaration.

The Declaration provides that all of the Developer's Land, as described in the Declaration, other than that part of the Developer's Land platted as The Cascades Plat 1, is referred to in the Declaration as "the Annexation Parcel" or "the Annexation Property." The Declaration further provides, in ARTICLE XIV of the Declaration, that the Developer may, or may not, as the Developer

sees fit from time to time, annex, or not annex, portions of the Annexation Parcel to the Development provided for by the Declaration, which such Development known as "The Cascades." Such ARTICLE XIV provides that, any provisions of such Article notwithstanding, as the Developer annexes parcels of real estate to the Development, the Developer may amend the effects of various parts of the Declaration, as same apply to various areas of the real estate within the Annexation Parcel, which are annexed to the Development and are made subject to the provisions of the Declaration; meaning that the provisions of the Declaration may be modified to various portions of the Annexation Parcel as they are annexed to the Development.

Such ARTICLE XIV further provides that the Developer may bring additional parcels of real estate under the jurisdiction of the Association and may make same a part of the Development and may subject same to the provisions of the Declaration and the easements, restrictions, reservations and covenants imposed by the Declaration, without the consent of any Lot Owner or anyone else; provided, however, that:

a. The Parcels which are annexed to the Development must be a part of the Annexation Parcel or must be located either adjacent to or within reasonable proximity to the Annexation Parcel or the Developer's Land;

b. Any additional Parcel brought under the jurisdiction of the Association and made a part of the Development shall be so brought under the jurisdiction of the Association and shall be made a part of the Development, either by a recorded Supplementary Declaration, or by an Annexation Declaration, or by a recital on the plat of the Parcel;

c. Any Parcel which is so annexed to the Development shall be deemed to have been made subject to the Assessments by the Association, and to the Declaration, and to have been made subject to the Association and to all of the covenants, conditions, reservations, liens, charges and assessments provided for by the Declaration and all of its provisions, including any future modifications thereof;

d. The owners of all Lots contained within the Parcel annexed to the Development shall be Class A or Class B Members of the Association, as the case may be, as described in the Declaration;

e. The provisions of the Declaration may be amended as they apply to various parcels of land which are annexed to the Development.

The Developer has previously caused The Cascades Plat 2, and the various Lots of The Cascades Plat 2, to be annexed to the Development and to be made subject to the provisions of the Declaration, by "Annexation Declaration for The Cascades Plat 2," dated October 30, 2003, and recorded in Book 2382 at Page 40 of the Real Estate Records of Boone County, Missouri.

The Developer has caused land constituting The Cascades, Plat No. 3, to be subdivided into Lots and streets, and Common Areas, by the Plat of The Cascades, Plat No. 3 recorded in Plat Book 38 at Page 86 of the Real Estate Records of Boone County, Missouri. The Developer desires to annex all of the land of The Cascades, Plat No. 3, and all of the Lots of The Cascades, Plat No. 3,

to the Development and to subject same to the Declaration; provided, however, that the Developer further desires to modify and amend various provisions of the Declaration as such provisions apply to the Lots within The Cascades, Plat No. 3.

The Developer, therefore, in order to exercise its rights to annex The Cascades, Plat No. 3 to the Development and to cause The Cascades, Plat No. 3 and all of the Lots therein to be made a part of The Cascades Development, executes and records this Annexation Declaration.

NOW, THEREFORE, in view of the foregoing Recitals, and in consideration of the mutual promises, declarations, covenants and agreements of the Developer hereinafter set forth, the Developer hereby promises, covenants, declares, states and agrees as follows:

No requirement that the Developer, the Developer's assignees of the Developer's rights as the Developer, or the Board of Directors of the Association or its Architectural Control Committee strictly require that Buildings conform to the minimum size requirements provided for by this Section 5 for The Cascades, Plat No. 3, is to be deemed to be expressed or implied or assumed. Any finished or unfinished space in a "basement" (including a walk out basement) or "cellar" shall not be included within Enclosed Floor Area. If there are any disputes or disagreements "Enclosed Floor Area," or as to whether or not a Building includes the necessary Enclosed Floor Area, then such disputes shall be conclusively resolved by the Developer, or the Board of Directors of the Association, or its Architectural Control Committee, whoever then holds the Architectural Control authority pursuant to this ARTICLE VII, and all such decisions shall be binding upon all parties."

B. Amendment to Section 6 of ARTICLE VII. ARTICLE VII of the Declaration shall be and it is hereby further amended, as it applies to The Cascades, Plat No. 3 and the Lots therein
