Statewide Coverage

Unity of Indiana proudly serves individuals and families in all 92 Indiana counties! Unity of Indiana Case Managers provide case management services on all Medicaid waivers available in the State of Indiana. The waivers include both DD waivers (CHI and FSW).

YOU HAVE A CHOICE IN CASE MANAGEMENT PROVIDERS. WHY UNITY OF INDIANA?

Unity of Indiana Case Management is a family owned and operated agency originating in 1998. The mission of Unity of Indiana is to assist individuals with special challenges by advocating, networking, and resourcing services to promote quality life. Unity of Indiana’s intent is to empower individuals to pursue their life goals and dreams. Unity of Indiana is an Indiana based agency; not a subsidiary of or controlled by a large out of State Corporation. As a family owned business, the culture extends to a set of values that encourages respect ethical behavior by providing consumers/ families a solid foundation of services driven by choice.

“ Our Unity of Indiana Case Manager is by far the most engaged, professional and helpful Case Manager that we have worked with. We are so grateful for his calm and caring demeanor. He is always very thorough and responsive to all of our needs.” - Julie Hayden, mother/guardian of a waiver recipient
