**President's Letter**

If your livin' around these parts, the roads will be changin' soon, and so will the temperature. We live in MinneSNOWta, some of us in WINDconsin, we experience four seasons, and soon our time on the road will have to wait until spring, due to those little white flakes falling from the sky. Let's face it, the snows a comin', and there ain't no way around it. Since we're all more familiar with the protocol to winterize our Model A's from October's clinic, it's most likely, based on the current weather pattern, to take that information and do well with it. We'd love to have you at the November Clinic for Troubleshooting Your Model A, as well. You may just learn something about a problem your havin', or you might just make someone's day by helping them with theirs. In any event, it's good to have a plan for any needed repairs. Looks like the weather forecast will provide us with a few nice days yet, so enjoy your car, winterize, and tuck her away until Spring, or make plans for needed repairs. But before you do, if you are a part of the MARC Mileage Program, please make a note of your mileage and forward that to Dale Pomerleau. You'll thank me for that little tip when the temps drop, and you'd rather sit warm and cozy under your blanket roasting chestnuts by an open fire.

You won't want to tuck your A too far under blankets, cuz Rog Anderson and Lynne Groven are planning the Iron Man Tour for Feb. 29, 2020. You might just want to leap on that tour, since it only comes but every 4 years. It'll be here before you know it, and so will Spring.

The Nomination Banquet came before I knew it. Doesn't seem like a year has come and gone, but here we are. The banquet went well, was well attended, and as a result, we have some great nominations for next years' Board. I hope the Election Banquet is well attended, I hear there might be some surprises well worth attending. We have a great time, the food is excellent, parking is a breeze, and the company, well, their amazing. There will be some nice silent auction items to bid on, and the Cast Iron Brake Drum Raffle winning ticket will be drawn. Mark your calendars, and send in your reservation. Mr. Rude is kind enough to hold you a seat at a table with friendly faces, and great conversation.

So, what's the membership up to, other than registering for the Election Banquet? I'm so glad you asked. Currently the membership, yes, that's you, is (ok, 'should be') working on bringing forth nominations for the Life Member and Spark Plug Awards. Nominations for these awards will close on Nov. 16, 2019 at 9am. I encourage you to submit your nominations in writing along with reasons you feel a member is worthy to become a recipient of either of these awards. Unfortunately, verbal nominations will not be accepted. These awards are presented to members in good standing, who fulfill the requirements recorded in the Roster, and who have shown extraordinary involvement and service to the club. These are very special awards, and it is always a pleasure to pay honor to others for their extraordinary service.

**"Life's most persistent and urgent question is, What are you doing for others?"**

Martin Luther King, Jr.

Reminder, reminder, pick your best photos and get them in to the printer. Photo Contest deadline for photo 'taking' is October 31st, and photos must be to Mr. Leder by November 10th. Can't wait to see what you all have come up with. With all the rain this year, I wonder if there will be water in any of the photos, or better yet a Model A on a boat. I know there should be a whole lot of wonderful photos from the Summer Tours, Great Northern Tour, MARC Convention, Banquets, our very own Vagabonds perhaps, hint, hint. Where did you go this year? Got any photos to share? Oh, I just can't wait to see them all. It's gonna feel like opening gifts at Christmas to see where our A's have journeyed with their caretakers this year, and to hear the stories is always a joy.

See you at the Election Banquet,  
Catherine

Twin Cities Model A Ford Club  
October 19, 2019 Nominations Banquet Meeting Minutes

The October 19, 2019 TCMAFC Nominations Banquet Meeting was called to order at 1:30 pm by Catherine Jammer at Gulden's Restaurant, Maplewood, MN. Mrs. Jammer began the meeting with a poem she had written to the delight of all in attendance, and recapped some the years' highlights.

A Call for Nominations was done by President Catherine Jammer.

Nomination for 2020 President - Catherine Jammer accepted.

Nomination for 2020 Vice President - Thom Boche accepted

Nomination for 2020 Junior Board Member - Dave Peterson accepted

Nomination for 2020 Secretary - Cathy Kieger accepted

Nomination for 2020 Treasurer - Mel Eder accepted

Nominations for Charities to be presented to the membership were: Model A Youth Restoration Award, Ronald McDonald House, St. Jude Children's Research Hospital, Disabled Veterans, St. Michael's Lutheran Church, and Haven for Heroes-Anoka.

There was no business discussed.

Mrs. Jammer announced that the Life Member and Spark Plug Award nominations are being accepted until Nov. 16 at 9am. Mr. Leder reminded the membership of the Photo Contest, and announced Cindy Pomerleau is selling raffle tickets for the Cast Iron Brake Drums to be drawn at the Election Banquet. Mrs. Jammer reminded the membership to sign up to purchase Kwik Trip Car Wash Cards. Special Thank you to Gulden's Restaurant, Silent Auction donors, and Mr. & Mrs. Rude and their support staff for hosting the banquet. The membership sang Happy Birthday in honor of Mr. Rude's birthday.

A motion to adjourn was made, seconded, and carried. Meeting was adjourned at approx. 2:05 pm.

**KWIK TRIP**

## Twin Cities Model A Ford Club

## October 15, 2019 Monthly Business Meeting Minutes

The October 15, 2019 TCMAFC Business Meeting was called to order at 7p.m. by Catherine Jammer at St. Michael's Lutheran Church, Roseville, MN.

**BOARD MEMBERS PRESENT** President – Catherine Jammer, Treasurer – Mel Eder, Past President – Doug Portlance, Secretary - Catherine Kieger, Senior Board Member – Doug Persing, Junior Board Member - Marc Rude.

**MEMBERS PRESENT:** Dale & Cindy Pomerleau, David Kieger, Dave Peterson, Mark Leder, Steve Barnacle, John Roehl, and Bob Butek,

**SECRETARY REPORT:** The September 17, 2019 Board Meeting minutes were reviewed and approved with revision, motion by Mr. Persing and seconded by Mr. Rude, the minutes approved. The revision to the minutes is the deletion of the following statement under the heading of Nomination Banquet, “and instead credit each participants’ dinner by \$5, in an effort to maintain an affordable banquet for members.”

**TREASURER REPORT:** Mr. Eder handed out hard copies of the Treasurer Report for the month of September which were reviewed. A Motion was carried to approve, first by Mr. Persing, seconded by Mr. Rude. The Financial Report has been updated to reflect St. Michaels Lutheran Church.

### COMMITTEE REPORTS

**MEMBERSHIP REPORT:** 3 new members.

James & Cheryl Loeffler, St. Paul, MN 1928 CC Pickup +3 others

Loren Klein & Pat Lutz, Minneapolis, MN 1930 Fordor Briggs

James Jones, Wyoming, MN. Motion was carried to approve the new members, first by Mr. Rude, seconded by Mr. Eder. Membership renewal forms will be sent out in the coming weeks.

**MEMBERSHIP GREETING:** Mr. Lake has contacted the September new members.

**MEN'S CLINIC:** Mr. Peterson reported Oct. clinic title is How to Winterize Your Model A, and Nov. Clinic is Troubleshooting Your Model A. Mr. Pomerleau presented a revised clinic agenda. At the conclusion of discussion, all membership present decided it is in the best interest of the membership to eliminate door prizes from the clinics in an effort to provide the membership more social time, in which the membership has requested. There will be a free table at the clinics for anyone wanting to pass along items they no longer need, and if members have items they would like to donate specifically to the club for silent auction items, those items would be greatly appreciated.

**TOOLS:** Mr. Barnacle reported damage to tools, most likely due to members’ not completely knowledgeable on their proper use. Further discussions regarding moving forward in an effort to keep a tool crib on behalf of the club as well as protecting to tools from damage will be taking place to discover the best option moving forward.

**SUNSHINE LADY:** Mrs. Pomerleau reported that a get well card was sent to Walt Groskurth.

**NEWSLETTER:** Mr. Leder reported that the Comcast issue is being worked on, however, it is not fixed.

**WEBSITE:** Mr. Persing reported he has received the renewal form for website hosting.

**SWAP MEET:** Mr. Peterson reported there were approx. 100 vendors pre-registered. It was a rainy day, but on behalf of the Swap Meet Committee he thanked everyone who helped.

**FUNDRAISING:** Mrs. Jammer reported that Kwik Trip Car Wash cards are for sale, when there are 20 cards pre sold, Mr. Eder will put in an order. Mr. Leder reminded those in attendance that the raffle for the Cast Iron Brake Drums is ongoing, and thanked Cindy Pomerleau for selling tickets during the Great Northern Tour.

### SPECIAL COMMITTEES REPORTS – SHORT TERM COMMITTEES

**2019 GREAT NORTHERN TOUR –** Mr. Persing reported they had a great tour, the weather was misting, but really no heavy downpours which kept the roads open, and the few breakdowns that did occur were minor in nature.

**NOMINATIONS BANQUET –** Mr. Rude reported the banquet is on track, confirmations have been made. Approx. 40 people have signed up. It was decided that a list of charities will appear on the election ballot for the membership to vote on.

**ELECTION BANQUET** – Mr. Rude reported that the banquet is on track. Any members wishing to donate auction items should contact Mr. Rude.

**UNFINISHED BUSINESS:** None.

**NEW BUSINESS:**

**IRON MAN TOUR** – Mrs. Jammer on behalf of Rog Anderson reported that the Iron Man Tour will be Feb. 29, 2020. Please mark your calendars. It was also confirmed that there are funds in the budget available if he needs them.

**LIFETIME MEMBER AWARD & SPARK PLUG AWARD**– Mrs. Jammer announced that nominations for these awards are open, an email blast will go out, an announcement at the clinic will be made, an announcement will be made at the nominations banquet, and a copy of the email blast will be inserted in with the election ballot. Please review the requirements in the Roster prior to submitting a nomination, and a reminder that all nominations must be in writing, as well as reasons why you feel the member should receive the award. This will assist with the decision making process.

**ANNOUNCEMENTS:**

Oct. 19 – Nomination Banquet – Gulden’s Restaurant, Maplewood, MN

Oct. 31 – Photo Contest ends

Dec. 7 – Election Banquet – Tinucci’s Restaurant, Newport, MN

Motion to adjourn at 8:55pm. by Mr. Persing, and second by Mr. Portlance.

## National Club Affiliation Information

Members are encouraged to belong to one or both of the National Model A Ford clubs. Benefits of membership include six high quality magazines for the year, ability to place advertisements in each of the publications as well as many technical and historical articles that relate to the hobby and time period of these vehicles. Each of the clubs host national meets, tours and social events. Products and services are reviewed and advertised in the publications and you get a overall view of where the direction of the Model A Ford enthusiasts car hobby is headed. Each club has an on line presence with well executed websites. Contact information for the each of the national clubs are below.

## Great Northern 2019

Our last Great Northern tour was in 2017 and its reputation brought together nearly 87 people and 45 cars to once again get on the road in 2019. A group of Model A ers found their way to Osceola Wisconsin and joined up into a caravan thru some drizzle and rain on the way to Spooner for lunch. Our first scheduled stop was at the Burnett Dairy complex which has a beautiful shop that has cheese, ice cream, candy, coffee and good snacking that you can pick up for a road trip. One of our members had an unscheduled stop right before this and he picked up a chicken, and it wasn't crossing the road. Dave Peterson gave the chicken the first ride due to a leaking radiator petcock. Well it seems appropriate that the chicken knows about a petcock. On to Spooner for lunch and more people joining the group for the ride into Hayward. We settled into the Hayward Holiday Inn and got acquainted with some of the first timers on the trip and looked over each other's cars hoping that the morning would bring us some sunshine and fall colors on our first outing.

Day one. Not so much sun and at times not too dry but we had an interesting visit to the North Country Shrimp Farm. A hardworking dairy farming husband and wife are raising shrimp in the rolling countryside of Wisconsin to offset the downturn in the dairy business. It seemed like a biology lab and science class rather than a farm. Extremely controlled climate, building space, water temperature and food sourcing get these shrimp from almost microscopic to 20 to the pound size on your dinner plate. We continued on our way to a country meat market /cheese shop for road snacks and then we had a home cooked buffet meal at a local tavern and if that wasn't enough onward thru beautiful back roads to a local winery who put on a tasting of the seasonal wines.

Day two. It was a long drive to see the St. Croix Rod Factory where the group was given a guided tour of the process of crafting fine fishing rods. Some of the group decided to forgo this tour and explore a little closer to Hayward but regroup to a club favorite destination the stately Garmish lodge. We were warmly welcomed and filled to capacity the dining room. The beautiful timber lodge overlooking the lake with the excellent food gave us all time to enjoy the meal and each other's company. For a fleeting moment before lunch we saw a little sun, but the rain decided to stay around as we headed back to the hotel.

Day Three. Seems we all got a little lazier and the day started a little later as there were options open to consider. The cranberry harvest was in season and some chose to visit a market that was selling fresh harvested cranberries and packaged raisins on the grounds of the cranberry bog, while others slept in or visited the local antique and retail shops around town. A second option was a journey to a local distillery that used local grown crops to create vodka and there was also some tasting going on. While all were away a catered dinner was planned for that night. A local chef has a self-contained portable meat smoking trailer that was set up at the hotel and was running for nearly 7 hours in the parking lot. The smoking oven was finally opened and extremely tender chicken and ribs were brought to the table with all the side dishes for a truly delicious dinner with a great group of people. We recounted the good times on this Great Northern and a few of the typical breakdowns , flat tire, point gaps, condensers, fuel contamination, replacing a water pump, distributor replacement and various little gremlins that a simple pliers or screwdriver can take care of.

Our committee of planners / hosts worked hard and really delivered, **Thank You to: John and Linda Pole, Dale and Cindi Pomerleau, Doug and Deb Persing and Doug Portlance.**

*Photos next page*

# Great Northern Memories

We are holding a contest for all members to submit their favorites photos of this year's Model A activities. We will allow up to three photo submissions per member. Total of six per family. Winners will be chosen and prizes will be awarded.

**Contest ended,** get your printed photos to your

Editor Mark Leder. Last day for submission is November

21st. You may either mail before that date or bring them to

the Mens Clinic on November 21st.

Happy  
Birthday

1961 Hemmings Motor News, a postage stamp was .04 and an envelope was maybe .01. You could place the minimum size ad of 12 words for .60 so you would have all of .65 to get your message out. Our own club member Darel Leipold was selling these items way back then. We need to have Darel tell us how he sourced these parts and what kind of sales he was able to make at one of our clinics. In 1961 this publication was the source for collector car sales, parts and services. The ads usually asked for a "SASE" Self addressed stamped envelope should you ask for a catalogue or additional funds if requesting a photo.

*It only happens every four years!*  
***"The Ironman"***

*Yes, the TCMAFC is once again going to challenge the streets of the Twin Cities with the original Iron Man Tour on February 29th. that extra day found in the Leap Year. Prepare now and only gently let your car be put away so that when that day comes you can smile and laugh at the calendar and say I'm not afraid to drive my A! Further details will be forthcoming From Rog Anderson and Lynne Groven who will be the tour leaders.*

### **October Men's Clinic**

Our second Clinic in our new home was successful as we began to try a new format regarding the schedule of the meeting. We have a much easier access to our new space and a very comfortable room to present our topics and the side room for snacks and social time. Dave Peterson presented on the topic of putting your car away for winter storage. There were many comments from the membership on the success and failures learned over the years putting away their own cars. The second presenter was Mark Leder with a power point program on the topic of changing the pedal shaft while still in the car. It was pointed out that this is the starting point for rebuilding the braking system of your car. This shaft is usually removed and replace when the engine is removed from the car. With certain tools and technique you can get this done with the car intact. A few special tools in the club's tool loan program can make this job go much easier.

A few new members were present for their first clinic, a free table was established for take it if you like it. Our library and video collection have found their place in the new room and always refreshments are brought in and enjoyed with alot of conversation. Raffel tickets were sold for the December 7th. drawing for the complete set of brake drums and studs and will be available at the next clinic and at the election banquet in December. Car wash cards and fund raising ideas were presented to the club.

### **MARC Mileage Awards Program**

For anyone participating in this program, write down your ending odometer reading and submit it to

Dale Pomerleau - 11109 Gettysburg Ave. N. Champlin, MN 55316

## Nomination Banquet at Guildens Restaurant

A relaxed lunch and official club business was transacted as the members present placed nominations on the floor for the positions on the board that are open for election. In addition to the nominations the members placed in to consideration a number of charitable organizations that members will be able to vote on in the official ballots that have been mailed out. Write in nominees are also accepted on the ballot.

A number of members dressed in 30's era clothing and hats and engaged in the silent auction for a number of donated prizes. There was some friendly active bidding against each that benefited the club for those funds raised. Our slate of nominees are as follows: For President - Catherine Jammer, Vice President - Thom Boche, Junior Board - Dave Peterson, Secretary - Cathy Kieger, Treasurer - Mel Eder. Each of the nominees accepted the nomination. When you get your ballot please fill it out and return it before the December Election banquet when the election results will become final.

Marc and Jackie Rude were in charge of the banquet this year and the event went smoothly with the club members enjoying the menu choices and the relaxing setting of the room and the decorations. Everyone appreciates the time and effort our officers and member put into making these events happen.

It was Marc Rude's birthday the next day and Catherine Jammer got our members to sing Happy Birthday in his honor

Nominations were received from those present for the open board positions .

### Jim's Tech Tip

Installing the Horn Rod

When installing the small C-clip on the end of the horn rod, use an old wooden yardstick or something similar up at the steering wheel end to hold the horn button down. Slip the yardstick under the wheel on one side, go over the horn button, then gently flex the yardstick and slip the end under the steering wheel on the opposite side. The yardstick will hold the rod down while you work at the other end, pushing up on the spider against the spring, and inserting the C-clip keeper.

**Name Badges are available for \$6.22 (tax included) they come with a spring loaded clamp on the back that will not damage clothing.**
