

Indian Lake Yacht Club

March 2018

Greetings,

Enclosed is your 2018 ILYC Membership and Registration Form. Please fill out and return the form as soon as possible. You will then receive your new sticker in time to have it DISPLAYED ON YOUR BOAT when your boat is launched this season.

- To use the ILYC boat launch ramp you must be a member AND the Marina, or any person launching your vessel, must also be a member. Your boat sticker must be displayed on your boat or trailer. Our launch is for members only, be ready to show your membership card w/2018 sticker and the boat sticker for anyone else's boat you may be launching.
- We will continue to host our traditional fun events like the Ice Breaker Cocktail Party (See below), Pancake Breakfasts, Regattas, the Cardboard Boat Race / Ice Cream Social and the ever-popular Cocktail Bingo Night. Look for our calendar of events in the first Bilgewater Bulletin.
- The ILYC Pontoon trailer will be available for use. The Blackmonds kindly allow us to use their property. Please be respectful and use the trailer at reasonable hours and return it promptly after launching your boat so other members may use it.

We hope to see you at Indian Lake this summer joining in the fun events at the ILYC!

Respectfully,

Michael J. Carrigan

Michael J. Carrigan

2018 ILYC Donation Challenge – We Need You!

Dear Indian Lakers

Each year the ILYC strives to bring an added dimension to your Indian Lake experience. The sailing, the fun family events, the dockside fuel, the boat launch, The Bilgewater Bulletin, etc. are all a unique part of our lake, like no other lakes in the area. Your membership dues cover most of our efforts, but not all.

Our building and facilities play an integral part and must be maintained. Last fall we started a siding project and during the course of the work we found major structural damage. Much of the floor plates on two sides were essentially rotted away and our roof is in very bad shape. We began the repairs last year but ran out of funds. Now we have to finish that work, finish the siding and also do some work on our fuel tank.

In the past we have been able to make repairs to the club through the generosity of your donations, but this year we need a bit more funding to complete these projects. So to that end

All donors will be noted in the Bilgewater Bulletin (unless you prefer to remain anonymous) as follows:

Silver Donor: Any donation whatsoever up to \$50.00

Gold Donor: Donations from \$51.00 to \$100.00

Platinum Donor: Donations over \$100.00

Thanks very much for any help you can give us this year and let's all have fun at Indian Lake!
