DESCRIPTION: Great looking and performing recurve. Zebra-wood riser. It has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. Two small professionally filled drill holes and one small "dimple" and the side of the riser (see pic). No chips, dings or cracks. No stress cracks or crazing. A few minor scratches and scuffs here and there. Decal is in excellent shape. Overall, this is a really nice bow in excellent condition for its age. Were it not for the two small drill holes, this bow could be considered as near mint condition. Comes with a brand new string.
