DESCRIPTION: Great looking and performing recurve. Shakespeare "Wonderwood" riser (resin impregnated compressed hardwood). Bow has been reconditioned; there was considerable varnish loss to the limbs, so they needed to be completely stripped and refinished. I was not able to save the original decals, so the ones on the bow are replicas. Bow has no delamination; no cracks; limbs are straight. Beveled arrow shelf. Overlays and tips are in good condition. No chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Overall, this is a really nice bow in excellent condition for its age. This bow was put to a stress test (held at full draw for 16 hours to make sure the old glues still held and no stress cracks developed).

Comes with a new rug rest and side plate as shown, and a new string.
