

# Parent Volunteer Interest Form

In order for our audience members to enjoy the theatre experience to the fullest, we need lots of help with various jobs during our public performances. Please put an "X" next to **your preferred day for each category**. I will be in contact with you to firm up your jobs! If you do not hear from me, I look forward to your help for the next show! Be sure to fill out the criminal background attached if interested in volunteering.
