Smyrna.

Dear Mr Lawrence -

I have had a long chat with Mr. Tread
and he is in full sympathy with the program
as outlined. One suggestion came from
him. He quotes the spelling may not be
right. But everything - the fire and at the time
of the committee fire he lost everything a record
time. I would recommend that in view of
his splendid relief services at the time of
the big fire - some recognition might well come
from the committee treasurer - perhaps the
equivalent of return passages to America
\$350 or such as the committee
thinks best - now he served without stint
and compensation.

Both you and Mr Caldwell should
be certain to share the equivalent of passage
to America and return or \$700. This is one
expense the appreciation for the wholly
unselfish work which you both have done

On the quarter of the school at
Magnesian - a rather adjacent village
pay the Com. Life Big necessary in
order materials - and quantities as follows
Relief to furnish glass - stone - Red Cement
labor - ~~wood~~ ^{relief} - but secured - 1000 lbs
probably much less -

Thanks for everything
O.C. Ziegler.

The package with the money left with
Capt McCullen - Permit 218 - say if
