Dear Mr. Young,

Thank you so much for facilitating classes at the Arlington County Detention Facility for the past three years through your non-profit organization (SOCARTES).

We greatly appreciate all your dedication and hard work. Your Introduction to Business and Life Skills Classes have provided the inmates with valuable skills and training that they can use when they reenter the community. The inmates have also greatly benefited from your sharing of authentic stories about overcoming substantial personal challenges and your inspirational messages during your book readings.

You have helped to educate and inspire many of the inmates incarcerated at the Arlington County Detention Facility (ACDF). You are really making a difference and positively impacting the lives of the inmates incarcerated here. It is our hope that by offering programs like yours at the Detention Facility upon release inmates can become productive and law abiding citizens and end the cycle of recidivism.

Sincerely,

*Kristen Cane*
