Budget watchers pick S.J. City Council faves

The Citizens for Fiscal Responsibility have endorsed the following candidates for the San Jose City Council in the June 7 primary election: District 2, Steve Brown; District 4, Manh Nguyen; District 6, Devora Davis or Norm Kline; District 8 Pat Waite; and District 10, Johnny Khamis. We feel that these outstanding individuals offer the residents of San Jose the best possibility of putting and keeping our city on a sustainable financial footing while working to improve the delivery of core services.

Please join us in voting for the one that will represent you at city hall. For more information about who we are and how we came to these conclusions go to www.cfr-sj.org.
