Aaron Curry

Aaron was born in Philadelphia, PA and moved to Waterford at a young age. He attended WHS from 1987 – 1990 where he excelled in cross-country and track & field. Upon graduation, he attended Haverford College, running cross-country and track for all 4 years. He attended graduate school at John Hopkins University while continuing to train for the US Olympic Trials. He now lives with his wife, Angela, and three year-old son Chase, in Harleysville, PA.

Aaron began his athletic career at WHS by playing soccer. But, as one of the fastest players on the team, he was convinced by a friend to turn his attention to running. During his time at WHS, he led the cross-country team to a Class M State Championship, going undefeated in dual meets and invitationals during the regular season of his senior year. That same season, he led the Indoor track & field team to a

league championship by winning 3 events; the 1000M, 1500M and 3000M races. He anchored the Sprint Medley Relay team in the State Indoor Championships as they won the State Championship.

Aaron continued his success at Haverford College, one of the top Division III programs in the country where he was a 4-time All-American in the 1500M, winning the 1500M Indoor Championship as a senior.

Upon graduation, Aaron received a sponsorship from Volvo to pursue a bid for the 1996 Olympic Trials in the 1500M. Although he missed qualifying by 1 second, he ran a personal best 3:45.6 at the George Mason Invitational. He enrolled in Graduate School at John Hopkins University to pursue a degree in Biostatistics and Public Health, while also serving as an assistant coach to the men's and women's cross-country and track & field teams. Aaron also continued to run competitively running a personal best 14:14 in the 5000M Championship at Penn Relays and a 50:26 in the Philadelphia Broad Street 10 Mile road race.

After graduating from John Hopkins with a Master's Degree in Biostatistics and a Ph.D in Public Health, Aaron pursued a career in the pharmaceutical industry, and currently leads a team of analytic professionals at Pfizer in Collegeville, PA.

Stephen Harper

Stephen Harper was born in Eustis, FL and moved to Waterford, his Mom's hometown, when he was 3 years old. He attended WHS from 1969 – 1973 where he earned varsity letters in 3 sports: football, wrestling and track & field. Upon graduation from WHS, he attended the University of South Carolina on a full football scholarship, graduating in 1977 with a Bachelor's Degree in Studio Art. Stephen was married in 1978 to JoAnn Canney (WHS class of 1974) and they have 2 children, Ethan and Siobhan. Stephen and JoAnn currently live in his childhood home in Pleasure Beach.

Stephen wrestled for 2 years and participated in track & field for 3 years at WHS. In track & field, he threw the shot put and discus, and was the 2nd leg on the 4x100 relay team, despite being 6'1" and weighing 220 lbs. The relay team won 10 of 12 meets in which Stephen ran.

Stephen played varsity football for WHS for 3 seasons under coach Dick "Cip" Cipriani. He started on both offense

and defense as a junior, which was very rarely done in that era. The goal was for Stephen to play both fullback and DT as a senior due to his power and speed, but a leg injury prevented him from playing on the offensive side of the ball. The injury didn't prevent him from excelling at DT where he dominated the line of scrimmage on his way to an award-winning season for both himself and the team. He was named one of 3 tri-captains, and along with All-State running back Jim White, led the Lancers to a record of 7 – 2, earning a share of the ECC championship. Stephen earned All-ECC and All-State honors, becoming the 1st defensive player in school history to be named to the All-State team. Due to his incredible senior season, Stephen was named to the All-Time New Haven Register All-State team earlier this year.

Stephen went on to play football at the University of South Carolina where he made an immediate impact. The 1973 season was the 1st year under NCAA rules that freshmen could play on the varsity team. The team had 4 freshmen players who would go on to have long and successful NFL careers, including Steve Courson of the Pittsburgh Steelers, one of the offensive linemen of the great Steelers teams of the late 70s. But, according to Bill Currier (one of those future NFL players), the 1st freshman to get noticed was Stephen Harper. Due to his exceptional combination of speed, strength and quickness, none of the other freshman could block him, including Steve Courson. The next season, Stephen was headed towards a very successful career when he got injured and injuries continued to plague him throughout his college career. Currier said that Stephen had the most promise of any player on the team and that even though he didn't accomplish his athletic goals, he had a huge impact on everyone he came in contact with. His concern and the way he treated others changed many lives while he was at the University of South Carolina.

Bridgit played field hockey all 4 years at WHS. She earned all-conference honors as a Goalie 3 times and was named team captain as a senior.

Bridgit received a 4-year scholarship for track & field to UCLA where she competed before transferring to CT College where she earned her degree in English and Secondary Education. Kermit B. "Joe" Miller Jr. was born on October 30, 1932 in New London. He grew up the oldest of 4 children and developed a love for sports and competition from an early age. Joe attended St. Mary's school where he played basketball in the 7th and 8th grades. He then attended Chapman Technical High School where he played the center and linebacker positions on the football team and played guard on the basketball team. Joe served in the U.S. Navy from 1951 – 1955 where he was a member of the Great Lakes Boxing team. He played fast-pitch softball for leagues in New London, Groton and East Lyme in the mid-to-late 1950's. Joe also played semi-pro football for the New London Pequots from 1956 - 1959. He started working for General Dynamics Electric Boat Division in 1956 and retired in 1996 after 40 years of service.

Joe married Juanita Hales in 1956 and moved to Waterford in 1960 where he has lived since. Juanita passed away this past January, Joe and Juanita would have celebrated their 60th wedding anniversary this past September. Together, they raised 3 sons; Glen, Kevin and Bruce. All 3 boys graduated from WHS and inherited Joe's love for sports as they participated in many during their time at WHS, including basketball, baseball, football, wrestling and track.

Joe began his long involvement and commitment to Waterford sports in the mid-1960s as his boys were growing up. He coached the Holly House and Sylvester's Texaco ("SylTex") teams in Waterford Little League South from 1966 -1977. He coached the "Body Men" team in Waterford Babe Ruth from 1969 - 1979, winning the league championship in 1979 and he was a coach on the 1975 all-star team that won the District 6 championship. Joe also regularly attends many other high school and town sporting events to show his support for the kids in Waterford. He is quite proud of the "lifetime" pass he earned due to his years of service to the community.

Joe Miller is a wonderful example for our Waterford community and we thank him for his dedication and efforts over the last 50 years.

Kris Morton

Kris Morton was born on Nov. 27, 1968, in New London, the son of Michael Morton and the late Ruth (Czerwinski) Morton. He attended WHS from 1982 – 1986 where he was an exceptional and record-setting wrestler. Kris passed away on June 9, 2010 at the age of 41.

Kris achieved unparalleled success during his wrestling career at WHS. He was a 3x ECC champion, 4x state divisional champion, 2x State Open runner-up and 2x State Open champion. Kris was named to the Scholastic All-American wrestling team in 1986 by "Wrestling, USA" magazine, only the 3rd CT wrestler to that point to achieve that honor.

Kris wrestled at WHS for Waterford Athletic Hall of Fame coach Glenn Rupert. Coach Rupert said that "Kris's

technique was not the smoothest that he had ever seen in these parts, but his attacking, aggressive style made him the dominant force that he was as he went undefeated in 1986. He was probably the most competitive wrestler that I ever had”.

Rupert also remarked that Kris’s favorite victory was during his freshmen year at the State Open. It was perhaps the match that set the tone for the remaining 3 years of his career. He was matched against Louis Carrios of Buckley HS from Hartford. Kris was losing by 3 points with less than 1 minute remaining in the match. He pulled off a reverse with about 30 seconds left to win the match. Kris said “I proved something to myself that day; I showed myself that I could do it”.

Kris wrestled in the 91 pound weight class as a freshman and was the ECC, Class M and State Open champion. As a sophomore, he wrestled at 105 pounds, was the Class S State Champion and State Open runner-up. He wrestled at 119 pounds as a junior, winning his 2nd ECC and Class S state championship and again was the State Open runner-up. He capped his excellent wrestling career as a senior with his best season, as he finished undefeated in the 126 pound weight class with a record of 38 – 0, ending the year as the ECC, Class M and State Open champion.

Overall, Kris had a career record of 123-20-2 with 67 pins. He was ranked 9th in the country in the 126 pound weight class as a senior. At that time, Kris was only the 2nd wrestler in CT history to have won a state championship in all 4 years of his high school career.

He played for Jennings School in the 4th and 5th grades before moving to Waterford starting in his 6th grade year. Later in life, Rick passed along his love of the game to his sons Trevor and Cory, who both played for WHS, with Cory helping lead WHS to its 1st-ever State Championship in 2012.

Rick played basketball for WHS for 4 years from 1965 – 1968. He began his career at WHS by becoming only the 2nd freshman in school history to start on the varsity team.

He helped lead WHS to a period of sustained success in the mid-sixties with the 1965 / 1966 and 1967 / 1968 teams each reaching the state semi-finals. The 1967 / 1968 team won the ECC league championship, going 10 – 0 in the league, including a 5OT win over Killingly.

Rick was a key player on those winning teams, averaging 25.4 PPG as a junior, setting a school record with 38 points scored in a game and being named to the New Haven Register All-State team. He was even better as a senior, averaging 29.2 PPG, broke his own school record by scoring 47 points in a game, established a school record by making 17 consecutive free throws in a game and being named 1st team All-State by the New Haven Register. Rick scored over 1,000 points in his WHS career.

Rick received interest from several schools to play basketball at the collegiate level, including Syracuse, Villanova and Providence College. He accepted a scholarship to the University of New Haven where he played for 1 year before accepting a scholarship and transferring to Central CT, where he played for 3 years under coach Bill Detrick. Highlights of his college career include being named the MVP in the Nova Scotia Classic and earning All-Tournament First Team honors in the Springfield Hall of Fame Tip-Off Tournament where he set the tournament assist record for most assists in a game.

Since the end of his playing days, Rick has coached at several schools, including stints as the Men's assistant coach at the USCGA, boy's freshman and varsity assistant coach at NLHS, girls Head coach at NLHS and Marianapolis Prep and boys Head coach at WHS.
