

Town Manager's Report
Tuesday
March 27, 2012

MDEP Hearing: We have been notified of a tentative date for the appeal hearing at MDEP which is being scheduled for May 3rd. We do not know of the time or place at this point and will keep you informed accordingly.

Meet the New Director: We have scheduled a Meet & Greet for Anne Krieg, the incoming Director of Planning, Economic and Community Development for Wednesday, April 4 from 1-3PM in the Selectman's meeting room. The public is invited to come and meet and discuss your thoughts about Bridgton.

Time Warner Internal Restructuring: We have been notified by TWC that they are restructuring their organization so that the Company will continue their nationwide services but the franchise agreements will be assigned to one of their new seven regional franchise holders. This will not impact the franchise agreement nor affect their services.

Maine Fiber Company Notification: As part of the Town's efforts to pursue the connection to the state wide fiber optic network, we had applied for a grant to subsidize the connection. Maine Fiber has notified the Town that they were unable to award us the grant for the Three Ring Binder project. At this juncture I am pursuing another option with our IT consultant to determine if we can be connected.

Respectfully Submitted,

Mitchell Berkowitz
Town Manager
