

## PRESIDENT'S MESSAGE

As we ease through the hot summer months, going on family vacations, and holiday get-togethers, we need to remember our classic cars still need some attention.

Don't let too much time go by between start-ups. They are almost like pets who need attention. Have you heated up your iron lately?

Everyone enjoyed a visit to Sonic after a short meeting last month. I saw several of you digging into those ice cream sundaes. We had a good turnout of our beautiful classic cars. It looked like the staff was taking care of everyone, too.

Several of the club members went to Gene Ansley's funeral. The family was appreciative of our efforts to bring our cars and attend the service. I was proud of everyone who came to Tina's Neitzke's memorial service at Grace Baptist Church. We had a nice group to support Ralph. Thank you.

Thanks to all who came out to SnoCap June 29th. Driving our prize cars is important; it keeps oil up in the heads and engine parts, as well as keeping the transmission and drive train lubricated. SnoCap is a good drive for those once a month.

So, if you're like me, and more time has slipped by than you thought, heat up the iron to SnoCap, and smell the un-catalyzed exhaust and the perfume the girls are wearing.

At this month's meeting, we will have Ike Carpenter as our guest speaker. Ike is a native of Trenton SC and a noted historian.

Don't forget, we will travel to Yesterday's Café for dinner on July 23<sup>rd</sup>. Cost is \$20 per person. See you at the meeting

John Moore

*"I don't feel old. I don't feel anything 'til noon. Then it's time for my nap. Bob Hope*
