The Fall meeting of the Kansas Honey Producers Association will be held in Wichita this year. We have confirmed several guest speakers for this meeting. We will have Dr. Jennifer Tsuruda from the Department of Entomology and Plant Pathology Extension at the University of Tennessee in Knoxville will attend. Also, one of our favorite people will be at this meeting too, Dr. Judy Wu-Smart. Judy is an Extension and Research Entomologist at the University of Nebraska, Lincoln, Department of Entomology. Judy received her doctorate in Entomology from the University of MN under the direction of Dr. Marla Spivak. Another guest speaker will be Louann Hauser from Lenexa. Louann is a past American Honey Queen who will give us a presentation on Media Training-Beekeeper Tips and Tricks about how to talk to the Media.

Make your room reservations by calling the Best Western Wichita North by calling 316-832-9387 and mentioning the Kansas Honey Producers Association to get our discounted rate of \$89.99 per night by September 26th to get this special rate.
