

2019 Winter Blast - Pyro in the Park

February 13 - 17

RV Parking at SARA Park for the five days of the event is available now. Dry camping will be allowed on the south side of the main entrance road (Dub Campbell Parkway) in the unpaved area opposite the eastern parking lot and baseball diamonds.

Parking is available from noon Wednesday February 13 through noon Monday February 18, 2019. This will cover the five days of the Western Pyrotechnic Association's 30th annual "Winter Blast" pyrotechnic convention and exhibition. It is dry camping only, no water, power or dump station is available.

Included for the \$100 total fee is one VIP parking pass to allow you to bring in your towed car or pickup for the event. This pass is a sticker which must be affixed to the windshield of the vehicle.

Please print this page, fill out the form, scan and email it to jyrussell.jr@gmail.com. You will receive a confirmation via email.

Thank you & see you in SARA Park. Remember no personal fireworks, firearms or alcohol or pets outside of your RV during this event.
