# A Message from the President

Ski Jammers,

What an incredible NBS Summit at Snowmass, CO. We were 63 strong Ski Jammers, with amazing weather and a great homecoming event while the pandemic is still here. We stayed safe but had a lot of fun. I hope everyone had a great time. Please continue to share your thoughts on how things went for you and send any ideas for next year. Our attendance was at an all time high and we hope to moew than double this for the NBS 50<sup>th</sup> Anniversary February 4-11, 2023 in Vail, CO. *Unfortunately, no NBS 50<sup>th</sup> Anniversary Summit information has been released.* We will communicate details as soon as we receive it and your patience is greatly appreciated. We anticipate Early Incentive Registration will be opened up early April. This special rate will be for people who participated in the 2021 NBS Virtual Summit and 2022 NBS Summit at Snowmass.

We are ramping up on communication but have limited volunteers to help so we are sending out another call for you to get involved. The pandemic really impacted everyone with limited activities. I pray that everyone continues to be safe. This pandemic is not over but the Ski Jammers are strong, especially compared to many other clubs. But it is time to get things going as our new fiscal year is quickly approaching.

There's lots to catch up on so please take the time to read this newsletter in its entirety.

We have so many great memories from ski and bucket list trips as well as other activities. So start pulling those pictures and get ready to share. While local activites will be great, the team will not be shy in looking at other areas outside of Houston. Looking for individuals to volunteer so get ready for a great 2022 that will culminate at the NBS 50<sup>th</sup> Anniversary. So volunteer and help plan our 40<sup>th</sup> Anniversary. Sign up today: <a href="#">LINK</a></p>		
<p>Ski Jammers Attire:</p> 	<p>Our goal is to customize a complete Ski and snowboarding outfit for up to 150 people with the Ski Jammer colors. We would like the complete sets to be affordable and interchangeable. Not only do we want the gear to be in our colors black, turquoise and red, but we also want to provide a new updated Ski Jammer patch to be added to the gear. Volunteer here: <a href="#">LINK</a></p> <p>Also hoping to add other small details that represent Ski Jammers through zipper pulls etc. Not only are we looking at new gear, but also looking to bring back the Vintage jacket. As of right now we are open to all vendors, but we are going to start off with vendors we have direct contact with such as Spyder and Progressive Brands. There is also interest in ski boots and shoes with Dahu.</p>

Now is the time to get involved.

In the spirit of the NBS 50<sup>th</sup> Anniversary, we are targeting 150 Ski Jammers for the Summit and will need multiple people to help with the trip. Trip leader training will be provided.
