Latin Party Crew is a local Sacramento band that has been performing live music since early 1997.

Founding members Marc Fontes and Stan Jimenez have invited numerous local area musicians and vocalists to share their musical talents with the band. Over the years, LPC has grown from a five member's band to ten. The additions included an elegant rich horn section and powerful percussionists. LPC has been blessed with the talent of local vocalists whom add tasteful vocals to the rich melodies of the rhythm and horn sections.

Latin Party Crew dominates the Sacramento and Stockton area with the sounds of Latin Rock, Old School, Oldies, and R & B music. LPC plays music from the influences of Santana, Malo, War, El Chicano, Tierra, and Motown and many more! For those who enjoy Latin rock, you can dance to your favorite ranchera, cumbia, cha cha, bolero, and salsa as played by LPC.

Latin Party Crew's characteristic combination of musical styles is desired by all generations and cultures.
