Booklet Printing—In-House Digital Printing and Assembly

Our Konica C1070 production copier produces professional quality booklets! We also offer several binding options. Contact us for a FREE quote on your booklet, program or manual today!

◆ Comb binding:

Use: When you need a 2-sided full sheet booklet with over 60 pages.

Binding cost: \$1.00 per 25 sheets; booklet printing costs apply

● Plastic Coil Binding

Same as coil binding, but with a more professional look!

◆ Corner or side stapled booklets.

You can elect to have a staple in one corner or two staples along the side.

Corner: \$0.03; Side: \$0.05 per booklet; regular printing costs apply

◆ Folded, "saddle-stitched" booklets:

Use: When you have 60 pages or fewer. Page counts must be multiples of 4. (4,8,12,16,etc). If your publication does not have a multiple of 4 pages, we will add blanks in appropriate locations to create a great-looking publication!

Great for booklets, manuals, catalogs and calendars!

Binding cost: \$0.06 per booklet; see chart below for print pricing

● Determine which papers to use

Our standard paper is 60lb Text (24lb bond paper). You can choose other papers (see pricing in Document Print & Copy Services section).

● We quote the price based on the type of publication and papers used.

Final Booklet Price is Calculated using print prices, paper pricing, and binding options.

Note: A "booklet" is a document with 8 pages or more. For documents with fewer than 8 pages, standard print charges apply.
