Pass for Children of Non-Member Childcare Provider

If a member employs a non-member childcare provider, they may purchase a pass for the childcare provider's children for the season. This entitles the childcare provider to take their children to the pool ONLY when they are attending with the member's children. The childcare provider's children must be accompanied by the childcare provider (assigned a valid Nanny Pass) and the member's children. This pass is not intended to give the childcare provider's children full, unaccompanied access to the pool for the season

The cost for this pass (Children of Non-Member Childcare Provider Pass) is \$35 for the summer. The childcare provider's children will not have access to the pool until this application is processed by the Membership Chairperson, which may take up to 48 hours. You will receive an email when your application has been processed and a keytag has been activated.
