

Dear Friend,

You need not feel hopeless and isolated when told "YOU have cancer." Gumby's Club Fore a Cure, a Manitowoc County Local group of committed individuals whose purpose is to raise funds to support the unanticipated expenses of individuals struggling with a cancer diagnosis are now busy planning their annual event. These expenses associated with cancer diagnosis are certainly the agonizing realism as one fights the disease and endures treatment.

Cancer's journey, with all its crossroads, has become easier to endure with the hope and financial assistance of these remarkable citizens coordinating support for cancer survivors. Gumby's Club Fore a Cure has helped to decrease the frightening effects of diagnosis, treatment, residual effects, anxieties, and expenses incurred with a malignant diagnosis. Recipients of Gumby's Club Fore a Cure generosity have overwhelmingly expressed their gratitude for the support given to them.

This year, we celebrate the 10th anniversary of this event! Since Gumby's Club was formed back in 2011, we have donated \$160,900 to approximately 301 people in our LOCAL community. In 2019 alone, we have helped 84 families.

The last several months have been a difficult journey for many in our community, and in our world. One thing that has remained constant is the need to help those affected by cancer. We humbly ask you to consider making a donation this year. We understand that, as a business owner, these may be extremely difficult times for you as well. If the COVID-19 pandemic has negatively affected your business and you are not presently in a position to be able to help us with a donation this year, we completely understand.

Thank you for your consideration,

The Gumby's Club Fore a Cure Committee Members:
