

THE HIGH SCHOOL OF  
**SAINT THOMAS MORE**  
Catholic Diocese of Peoria

December 5, 2017

As part of the admissions process for The High School of Saint Thomas More, incoming freshmen are required to take a Math assessment that will be administered **January 13th at 8:30am at STM**. The exam will last approximately one hour, although the exam is not timed. Following the Math assessment, we will offer an optional Spanish assessment to students who feel they have a strong enough foundation to take a higher level Spanish course. The Spanish exam will also take approximately one hour but is not timed. The exams will be utilized in helping place students in the proper classes at STM. It is part of our mission to assist our families in providing intellectual formation of their students. These exams help in providing a strong foundation for academic excellence.

If your student has submitted an application to STM, all testing fees are part of your application/enrollment fees and no additional money is due. If your student has not submitted an application to STM, there is a \$25.00 testing fee. Please mail (or drop off) payment to The High School of Saint Thomas More prior to the testing date.

To register your student to take the placement test please visit:  
<http://www.hs-stm.org/admissions.html> and click on "Placement Test" on the left hand side.

Check-in begins at 8:00am and testing will begin promptly at 8:30am. Please have your student bring two No.2 pencils and a calculator.

Feel free to contact me with any questions you may have.

Sincerely,  
Rebecca Miller  
Director of Student Services
