

PRESENTER - ANDREW SEUBERT, LMHC, NCC

Andrew is a nationally certified counselor, licensed mental health counselor and an EMDRIA-approved consultant and trainer with extensive background in an Existential-Gestalt approach to growth

and therapy. Always drawn to forms of therapy that address the entire person—mind, body, emotions, creativity and spirit, Andrew has developed an extremely holistic approach in his work with individuals, couples, families and groups.

Formerly an educator, musician and Peace Corps Volunteer, Andrew has consulted with Corning Inc, small businesses and human service agencies, providing stress management and conflict resolution training, as well as workshops and coaching that facilitate personal growth and performance enhancement. He has published peer-reviewed articles and book chapters, as well as two books, *"The Courage to Feel"*, and *"How Simon Left His Shell: The Courage to Feel for Young People."* Andrew is a highly engaging, interactive therapist and retreat/workshop facilitator whose passion about his work is expressed in his use of music, creative imagination, experiential approaches and humor.

In addition to working with a broad spectrum of therapeutic issues, Andrew has a strong interest in healing from trauma and PTSD, particularly through the use of EMDR. This interest also informs his approach in working with eating disorders and helping couples create and renew their relationship. His passion for an integration of psychotherapy and spirituality is a driving force, whether in individual sessions, workshops or intensive Personal Therapeutic Retreats.

EMDR BASIC TRAINING

Description: Eye movement desensitization and reprocessing (EMDR) is an effective and efficient method of treating traumatic memories and related problems. This program has no “parts” or “levels” - this is the complete EMDR training as defined by the EMDR International Association (EMDRIA). This is a **hands-on clinical skills training** for using EMDR and integrating it with your psychotherapy approach. This program is designed to help participants learn when and how to use EMDR, and to gain competency with EMDR over a period of several months.

The training program involves lecture, demonstration, in-class practice, and on-the-job practice with your clients. This is an experiential training, including practice with other participants.

OBJECTIVES:

PARTICIPANTS WILL BE ABLE TO:

- Develop and implement a comprehensive trauma-informed treatment plan.
- Prepare clients for EMDR.
- Conduct an EMDR session.
- Problem-solve a difficult session.
- Use EMDR with a wide range of clients.

WHO MAY ATTEND: EMDR training is open to mental health professionals licensed (or certified or registered) by their state for independent practice. The training is also open to advance graduate students, interns, and other mental health professionals on a licensure track, **who must provide an explanation of their status and a letter of support, for participation, from their supervisor.**

PROGRAM FEATURES:

- Approved by the EMDR International Association (EMDRIA).
- 49 contact hours over several months to support mastery.
- Starts with a 2-day focus on trauma treatment approach and interventions.
- Small group size (max of 10).
- Text book and other materials included.
- Follow-up group consultation sessions included (10 hours)
- Competitive cost.
- Local training site reduces/eliminates travel costs for participants.

Enrollment is limited to 10 participants.

COMMENTS FROM RECENT

PARTICIPANTS:

Best training I've ever attended!

J.M., LCSW

Andrew's humor and ability to integrate PTSD information is awesome!

S.S., LPC

This was one of the best, if not the best, training in over 30 years of practice as a psychologist. Andrew's command of the approach, his teaching ability, his sensitivity, humor and respect for trainees was unsurpassed.

David Mandelbaum, Ph.D.

Andrew brings his full humanity to the process; he's engaging, experienced and a fully alive human being.
Kelly Fredell, R.Psych.

Over the days of training I watched a clearly masterful clinician turn a concept into practice, and I was awed ... I now jump on any opportunity to learn from Andrew again.

Linda Nelson, LCSW, Penn Yan, NY

"Andrew is a compassionate, responsive and passionate trainer who is intimately and adeptly in tune with his students. I could not have asked for a better experience and it was worth every penny."

Sam Johnson, MA LPC

I couldn't be happier with the way this training was run. Andrew, you are a wonderful teacher; you created a fun, safe learning environment in which I felt comfortable trying new things and making mistakes. There was a great balance of lecture and practice, and your depth of knowledge was remarkable. Thanks so much for a great training".
