Encouraging Children to go to Jesus Through Mary

To help children go to Jesus through Mary, we have to help them make it a habit. To make it second-nature to them. The best method of encouraging children to turn to Mother Mary is to lead by example and to pray with them to Mary until they are able to do so themselves. Mary will help protect your children against evil. She will guide them on the right path.

O Virgin Mother Mary, help me to Heaven above. Mother of Jesus, keep me always as thy loving child. Amen.

Available in the vestibule:

Children's Praying the Rosary papers and Rosaries.

Please share with your children.

Vote Yes for Life this November

Kentuckians have the opportunity to support a prolife amendment to our state's Constitution by voting **YES** for life at the ballot box this November. The Yes for life Amendment will stop judges from putting their own personal politics ahead of the will of the people. Make sure you tell everyone at your church, in your community, and in your family that we must vote **Yes** on Constitutional Amendment #2 this November.

Spiritual Life:

Saint Luke the Evangelist | October 18

Saint Luke, sometimes called The Evangelist, is the author of the third Gospel and the Acts of the Apostles and a physician. There is some debate about how he came to Christianity, though many believe he was a gentile convert. Tradition holds him to be a native of Antioch, Syria, possibly a slave. Most of what we know of Luke comes from Scripture, he was an eloquent and proficient writer, penning with accuracy the events he recounted. He is viewed as one of the best historical sources of the time. Luke was a close companion of Paul's, joining him at Troas about year 51 and going with him to Macedonia and Philippi. Their paths diverged and met again as they journeyed to spread the Good News. Luke remained with Paul until the latter was martyred in Rome. Saint Luke's Gospel is viewed as one of social justice, giving special attention to the poor. He also emphasizes gentiles hearing the message of Christ. It is the only Gospel with Mary's Magnificat, and spends the most time illuminating the lives of the other women around Jesus. St Luke is the patron saint of physicians.
