Re-Elect David Gentili

as your representative on the National Constitution Committee

Dear E.D.A. President, Fellow Conservative:

I'm asking for your vote.

I hope you will **choose me to represent you once again** on our Party's National Constitution Committee.

I am proud of what we accomplished in 2013, but there is more that we can do. Our party's success continues to depend on the grass roots efforts of volunteers like you.

If you give me your vote, I promise to work tirelessly so that our Constitution remains open and accessible to our volunteers, and continues to reflect the values and aspirations of our membership.
