Trisha Darner

Medford, OR

Dear Trisha Darner:

Thank you for your letter addressing your concerns about infant circumcision. I certainly appreciate your efforts to bring this issue to the public's attention, and my office will look into the matter as per your request. However, in the 2009 session my main health care focus will be on securing health benefits and rights to children with Autism and their families.

If you have any other questions or concerns, don't hesitate to contact my office.

Sincerely,

Representative Peter Buckley
