

Sign up for important updates from The STARS Foundation!

Get information from The STARS Foundation right on your phone – not on handouts. Remind is a free service that lets us send quick messages via text, push notifications, or email to everyone involved with a class. We'll be able to stay in touch and communicate quickly and effectively throughout the organization.

Receive messages via text message

Step 1

Text the [class code\(s\)](#) for your child to [81010](#). If you're having trouble with [81010](#), try texting the code to [\(916\) 626-4568](#).

Step 2

Reply to the message from the Remind team with your first and last name, and you're in!

Receive messages via push notification

Download the Remind app on your Android or iOS device, or go to rmd.me/a to install the app.

Step 2

Once you've downloaded the app, create a parent account with your email address.
