

**Laurens County Adult Education
30-day Absence Policy**

At the end of every month, the LACES Coordinator runs a search to find the number of days since a student has last attended.

If the search pulls up your name, and it has been 30 or more days since you last attended, the LACES Coordinator will mark you as “Left” the program.

Once she marks you as “Left,” you have lost your spot in the GED® program and also in the child care program, if your child is enrolled in the program at the Church Street site.

If you have been marked as “Left” and you choose to return, please call the site where you last attended to see if there is room in the class for you. If so, you can come back to class. If not, the intake staff member will add your name to the waiting list to be called once there is room again.
