REQUEST FOR TEACHER NOMINATIONS

SERVICE ABOVE SELF - TEACHER AWARD 2018

The Ashland Rotary Club is requesting nominations for the first annual "Service Above Self" award for a teacher from Bayfield, Washburn or Ashland who has made a difference through their involvement in the community. This would include service in a community organization, charity, service club or community project that is above and beyond their duties as a teacher.

The Ashland Rotary Club appreciates the positive influence that teachers have on their students in the classroom but for this award we wish to recognize the fact that teachers also set a good example by being actively involved in the community, outside of their classroom. Many teachers demonstrate their commitment to servant leadership through volunteerism, which is critical to supplementing area social services and providing additional educational and cultural experiences that contribute to the quality of life in our community.

A \$500 donation will be made to a nonprofit organization or project chosen by the award recipient.

Nominations are welcome from any member of the community, including students or other teachers and due by April 10, 2018
