

## FRIENDS & FAMILY FELLOWSHIP October 19, 2019

### McCracken Aerodrome, Monroe, NC

All Types of aircraft welcome, except No Turbine Jets.

Do your friends wonder just what it is that you do so often? And why are there all of those weird beeps and whirring sounds coming from your home? Playing with Toys, you say? Hardly!! These are precision-crafted machines harnessing the magic of flight with a keen understanding of electronics. Here's your chance to show and tell your talents and hard work. We are in the final stages of constructing major new amenities such as Indoor bathroom with hot shower, running water & septic system, and several Power Pedestals for RVs and trailers.

The Adams brothers will be serving up their renowned Brunswick Stew at noon.

Come join us for a day of flying, fun and fellowship to wind down the 2019 flying season!
