

Vintage Beauty Salon Service Contract  
Keratin Treatment

Keratin treatment Do's & Dont's

Dont's during the first 48-72 hours following treatment

1. Do NOT wash your hair
2. Do NOT tie your hair in a pony tail or use bobby pins
3. Do NOT use headbands or sunglasses to keep your hair back
4. Do NOT sweat or exercise
5. Do NOT pull your hair behind your ears
6. Do NOT tease your hair

Do's during the first 48-72 hours following treatment

1. Do wear your hair down all the time
2. Do use a blowdryer or flatiron as needed (in case hair gets damp)
3. Do wear a silk scarf if you need to pull your hair away from your face

After 48-72 hours following treatment

1. ONLY shampoo & condition with salon approved aftercare products
2. NEVER shampoo with HOT water (use tepid or warm)
3. NEVER color your hair at home (box dye/ temp color, etc)
4. If your hair is not colored at Vintage Beauty Salon verify that your colorist never pulls permanent color, bleach, or ammonia based developers through your hair

I \_\_\_\_\_ by signing below, understand & will follow all the requirements & warnings listed above. I understand that this service is not recommended if I am pregnant or breastfeeding. I understand that this service is only guaranteed by following all of the above requirements.

I \_\_\_\_\_ understand that a payment of \$50 is due at the time of scheduling my appointment. This will be applied to my service. If for any reason I miss my scheduled appointment or fail to give 24 hours notice to change my appointment, I will forfeit my \$50 deposit.

Keratin treatments are not relaxers. This is not a chemical service. This will not permanently change the makeup of your hair. Keratin treatments are a de-frizzing & smoothing treatment designed to help with the manageability & styling of the hair.
