The very nature of any of our program activities including but not limited to gymnastics, trampoline, rappelling, and rock climbing carries a risk of physical injury. No matter how careful the gymnast and the coach are, no matter what height is used or what landing surface exists, the risk cannot be eliminated – reduced yes, but never eliminated. While every attempt is made to maintain the equipment in and around the gym center in good operating condition, sometimes equipment may fail or come loose prior to being identified as needing repair. The risks for injury from any activity from equipment failure include minor injuries such as bruises and more serious injuries such as broken bones, dislocations, and muscle or fiber pulls or tears. The risks also include catastrophic injuries such as permanent paralysis or even death from landings or falls on the back, neck or head. Your signature on this form indicates that you understand this risk.

In the event that you cannot be reached during an emergency, please provide us with the name of a friend or relative who can be contacted in your absence.

SPIRIT publishes a website to inform members and the public about the Center and its activities. There are many occasions where photos are taken of the gymnasts and class members and their interaction with other gymnasts. It is virtually impossible to remember individuals who do not wish to have their photo taken. For that reason, signing this Registration form indicates that you authorize SPIRIT and their agents to publish your child's photo taken at class meets, at the gym, and in gym related activities to be used for the website, different forms of social media and/or advertisements.

## 2017-2018 Guidelines for Preschool and Class Participants

As a part of our philosophy as a family oriented gymnastics center, we encourage parents to stay to observe classes or team practices. For safety reasons, however, we need to have several guidelines for both parents and the class members.

\*Please – Think Safety!! NO GYMNASTICS in the lobby or bleachers while waiting for classes.

\***FOR THE SAFETY OF THE GYMNASTS** – People observing the activities should remain in the lobby or the bleachers and should not talk with the children during the class.

\*Only registered class students are permitted on the floor. We do not put a child on the roll sheet until tuition is paid and the proper forms are completed.

\*Parents should not walk out on the floor for any reason. The coaches will handle any emergency and call you down if needed.

\*A child who is disruptive in the class will be escorted to the parent's observation area for a cool down period, or she may not get a stamp after class. If this happens with your child, please be supportive of the coach and explain to the child that she must listen to the coach and follow the rules.

\***PLEASE CONTROL SIBLINGS OF CLASS STUDENTS.** Do not permit them to scream, wander or run throughout the observation area or play in the bleachers, with the gym or bathroom doors, or the water fountain. We had a sibling who fell while running in the bleachers and had to get stitches! If a sibling makes a mess, or spills water on the floor, please clean it up for the safety of the other children in the area. **Our coaches are responsible for the class children - you are responsible for their siblings.** For the safety of your child, please accompany the very young siblings to the restrooms.

\*Girls in classes need to wear a one piece bathing suit or a leotard to class. Boys should wear shorts and T shirts. Please do not wear socks, stockings with feet, skirts attached to the leotard, baggy clothing or jeans. Bare feet are the best in gymnastics, and they are the safest.

\*No shoes are permitted on the floor. Parents who are escorted on the floor must remove their shoes.

\*For the gymnast safety, chewing gum and glass bottles are not permitted in the gym.

\*Girls with medium to long hair must pull it back into a braid or a pony tail.

\*No jewelry – it is too dangerous! Students will be asked to remove dangling or hoop earrings, jewelry bracelets or necklaces. If you take jewelry off at the gym, we are not responsible if your jewelry gets lost, misplaced or is stolen.

\*For the safety of the gymnasts and coaches, no friendship necklaces, or ankle and wrist bracelets are permitted.

\*SPiRiT programs are not responsible for injuries which may result directly or indirectly from the wearing of piercings.

\*Please do not bring sick children to class. **Class program and preschool students are permitted to make up one class each month if they call to report the absence before it occurs.** Missed classes must be made up within the current month. Scheduling of makeup classes will be based on availability of space in a class.

\*Please leave toys at home. We do not want them to get lost or for others to trip over them!

\*Please clean up after yourself and your children in the lobby or bleachers.

\***Should only one student show up for any class, the length of that class may be reduced to one half hour** since the student will be receiving a private lesson. There will be no extra charge for this private lesson.

\***Should only two students show up for any class, the length of the class may be reduced to only 45 minutes.**

\*Classes may be cancelled due to low enrollment or if a coach is not available for the class.

\*You are welcome to ask questions at the front desk or by email at [spiritgymnastics@aol.com](mailto:spiritgymnastics@aol.com).

\***Inclement Weather** – You may find the status of your class on the Spirit Website: [www.spiritgymnastics.com](http://www.spiritgymnastics.com), or you may call 215 699-2900 or email us with your inquiry. Classes canceled by the gym for the weather or other emergency may be made up within the same month, unless it is the last class of the month. In that case you may make up the missed class during the following month providing you maintain a current enrollment for the new month.

### **THERE IS NO REFUND OF THE REGISTRATION FEE AFTER YOU REGISTER**

**Since the session is one calendar month; there is no refund after the first of each month.**

**There is no financial credit for missed classes that you do not attend or do not make up!**

**No financial credit will be granted for injuries or extended illness unless accompanied with a Dr's note.**

We hope that you enjoy your gymnastics experience at the SPiRiT Gymnastics Training Center.
