Quotes:

“He has been an excellent student and an asset to his peers. I believe his academic excellence combined with his demonstrated personal qualities set him apart from other applicants and make him a worthy candidate for this prestigious scholarship.”

Rohan Shekhar - Assistant Professor of Computational Sciences

“When I was selected as an Anchor Scholar, I felt profound gratitude. This award will allow me to continue my studies, and give me the financial liberty to continue pursuing projects which will help me become a better web developer, as well as a better global citizen. I can only express my deepest thanks for this great opportunity.” **Henry**
