The Verde Valley Fair Association wants this event to be successful for the artists and crafters but also for the community. We feel this event is a great way for people to come see what is available in their community. If you have a project you can work on while in your booth, that might encourage them to try something new, get involved or figure out what is really involved to create what you do.

Please note: if you are accepted as a vendor, our insurance requires that all passenger vehicles be outside the event area during event hours. You will be expected to move your vehicle not later than 8:30 am. Failure to comply will result in immediate loss of vending privileges and booth space.
