Douglas Athletic Booster Club

Extracurricular activities in our schools help students achieve success and personal growth in a variety of opportunities. The Athletic Programs at Douglas High & Middle Schools are a way many students are able to participate and pursue that growth and success. The Booster Club's primary objective is to support athletic activities for our students and instill a sense of school pride and school spirit in our community.

The Athletic Boosters have committed to raise funds to cover budgetary shortfalls in order to make athletic opportunities possible for student athletes in Douglas. **The need for your help and support is ongoing.
