Hello,

Due to the global COVID-19 (Coronavirus) pandemic, the Huron Perth Diabetes Program has made the difficult & disappointing decision to **cancel** the 26th Annual Huron Perth Diabetes Day that was to be held on Friday, May 1st, 2020. Ensuring the health, safety & well-being of our clients, vendors, sponsors & speakers is of utmost importance to the Huron Perth Diabetes Program.

Our team is so proud of the program that was developed for this year's 26th Annual Diabetes Day with lots of exciting content & speakers planned. That being said, it is our hope that we can move much of the program content to our 2021 Diabetes Day next spring. In the coming weeks & months, our team will be exploring the possibility of making this happen.

If you have already registered for the 26th Annual Huron Perth Diabetes Day whether as a vendor or participant, you will be receiving a full refund in the coming days.

We are deeply disappointed & sad about this situation but recognize that everyone is struggling with the challenges & realities of COVID-19. We thank everyone for their understanding & patience.

From our team at the Huron Perth Diabetes Program, we wish you all well in the coming weeks & months ahead.

Thank You,

Huron Perth Diabetes Program
