

**UPDATED 4/2/20**

To our Town Center Pediatric Families,

We are all aware of the many challenges that our TCP families have faced with the COVID-19 public health crisis. Following Governor Baker's stay at home order, we will be cancelling all the appointments from March 24 through April 17<sup>th</sup>, 2020. If your child has an appointment in this time period, we will be contacting the families to reschedule these visits.

If your child is ill during this time frame, a provider will be taking phone calls to determine if they need to be seen in the office, or if it can be handled over the phone.

Please be assured, our priority is to keep all our families and staff healthy.
