### Family Life

"It is above all in raising children that the family fulfills its mission to proclaim the Gospel of life.... The family celebrates the Gospel of life through daily prayer, both individual prayer and family prayer. The family prays in order to glorify and give thanks to God for the gift of life, and implores his light and strength in order to face times of difficulty and suffering without losing hope. But the celebration which gives meaning to every other form of prayer and worship is found in the family's actual daily life together, if it is a life of love and self-giving" (*Pope John Paul II: The Gospel of Life*, n.92-93).
