**CATHOLIC SCHOOLS WEEK  
2014-2015  
"Communities of Faith, Knowledge and Service"**

This celebration of Catholic education in the United States continues throughout the week. The theme focuses on key elements of Catholic Education; faith development, academic excellence and dedication to service. These elements set our school apart from other educational options. They are why families make sacrifices to their children with a Catholic education.

I am grateful everyday for the teachers, staff, board members, parents and volunteers who make our school a success. Thank you for your dedication and service to HSCS.

The recent Frozen Wonderland flyer was to inform you of some of the preparation details. We appreciate any and all contributions made for the classroom baskets. More importantly we hope to see all for this evening of fun to benefit our school.

The second semester has begun. Your children should be working on their Young Authors selection. The school deadline for submittal is February 6. Encourage your child to participate. It is a valuable learning experience.
