Dear Brothers and Sisters in Christ,

*"Thanks be to God for His indescribable gift!"* 2 Corinthians 9:15 (NASB)

When we started this Ministry, we had no idea what way or how the Lord would bless us. While we have struggled at times, in many ways we have persevered in His Glory.

Many of you may have noticed that you did not receive a Newsletter from this Ministry last month.

We are sad to inform you that on Sunday, March 27<sup>th</sup>, 2016 we received a notice from Pastor Pete that he is resigning from his position in The Lord's Mountain Movers Ministry due to several medical challenges he is dealing with.

We ask all of you to keep Pete in prayer as he focuses on his health and healing. He asks for privacy and prayer as he waits for test results and as a treatment plan is developed.

We in the Ministry plan to continue responding to letters and prayer, and posting them on the Website. Our current funding level does not allow us to send out a newsletter every month. We have yet to decide how often we will be able to do actual mailings.

We are also challenged with some other financial issues. This Ministry was started in November 2013. Hundreds of hours have been spent filing papers, creating the Website, writing, editing, publishing newsletters and to obtain our Federal and State Non-Profit status. We are all volunteers, therefore, none of us are paid in any way monetarily. Our greatest expenses are postage, envelopes, paper and toner to print the newsletters. We do not even own the printer we use each month, but have been blessed by a brother who lets us borrow it. However, we do buy the toner and paper used to print the newsletters.

With all that said, we are not going to give up, but we must adapt as God continues to lead us in His ministry. While we are in this transition He has lead us to open up some opportunities for others to contribute in other ways than financially. For those of you who have a gift of writing, we would like you to send us your testimonies. Please limit them to two pages' hand written and

one page if they are typed. Each letter received will be reviewed and voted on to determine which ones we will be published in our future newsletters.

We are here in this ministry because the Lord has given us a servant's heart. We ask you... Does this ministry and its newsletter provide a service and message that you find useful? If it does, we want to hear from you. We need your support and also your encouragement. What do you like and/or dislike? What would you like to see more or less of?

Please help us to help you. If you are able, you can send stamps, a donation or just your love, encouragement and support.

We are asking for God's direction and blessings, and we ask for your prayers, support in this ministries blessing and that we receive enough funding to continue to provide you our newsletters and encouragement. Also please pray that we are able to pay for the renewal of our website and it's hosting by the end of the year.

May you all be blessed wherever you are and in whatever way the Lord decides to use you.

In His service,

*The Lord's Mountain Movers Volunteer Staff*
