

A BOOK FAIRY TALE

The Book Fairy's plea for help with literacy

BY PAM LEO

Wee fairies each have jobs to do.
The Book Fairy's job is to get books to you.
And to ALL the world's children,
Not to just a few.

Books are very heavy,
Even ones that are quite small.
A wee fairy cannot carry them
'Cause she is only five inches tall!

The Book Fairy needs "helpers,"
grownups short and tall,
to get books to children who love them,
And to children who have none at all.

The Book Fairy really needs you.
The children need you too.
If there are to be books for EVERY child,
We have a big job to do.

Don't disappoint the fairies,
That would never do.
If ALL the children are to learn to read,
It is up to me and you.

DID YOU KNOW?

- ☆ 1 child in 4 in the U.S. does
not learn to read.
- ☆ 2/3 of the 15.5 million children living
in poverty in the U.S. do not have
even one book to call their own.

The **Book Fairy Pantry Project** is a grassroots family literacy movement. This project has been implemented by the people, for the people. Volunteer Book Fairy Helpers collect new and gently-used, quality children's books from donation boxes and book drives and deliver them to participating food pantries and WIC offices to be given out to parents.

THE BOOK FAIRY PANTRY PROJECT'S MISSION:

To put children's books in the hands of
all parents so there will be...

No Child With No Books.

Let's begin to end poverty-caused illiteracy for FREE!

PLEASE READ TO ME

A child's plea for love and literacy

BY PAM LEO

Read to me, please read to me
Right from the very start.
Just as good food grows my body,
Good stories grow my brain and heart.

Read stories to me in my bed,
And in the rocking chair,
In the garden, in the bathroom,
Please read to me everywhere.

Please read me a wake up story,
A breakfast story, a story with my snack,
Another story with my lunch,
And two before my nap.

Please give me picture books to look at
When we're driving in the car,
And audiobooks to listen to
As we travel near and far.

*"Every child deserves a chance to reach
his or her full potential."*

PLEASE BECOME A BOOK FAIRY HELPER VOLUNTEER

The book fairy and this project need your
help if ALL parents are to have books to read
to their children, so ALL children can learn
to read.

Please take me to the library.
They have books to read for free.
We can take home lots of them,
Some for you and some for me.

Read me stories in the kitchen,
And stories in the bath.
Please read me this same one again,
It always makes us laugh.

A story is a special treat,
Always a delight.
Reading keeps us connected,
Morning, noon, and night.

Every time you read to me
Our bond grows a little stronger.
Your reading feels like love to me,
And I always want it longer.

Read to me? Please?
