

Sponsorship Information

1st annual & LF Tournament

Dear Business Partner,

West Florida Baseball Academy is hosting their first annual mini golf and golf tournament in November. We are a 501(c)3 organization with 250+ athletes in our program that play in baseball tournaments all over the southeast. We plan on using the proceeds from these events to purchase the latest technology system in hitting and pitching, upgrades to our equipment which will help maximize training for our athletes. In addition to the equipment/training needs for the facility, we have multiple teams each summer that travel to compete in the week long, historic Cooperstown Dreams Park Tournament, located in Cooperstown, NY - *Home of the American Youth Baseball Hall of Fame*. Your financial contribution would be instrumental in helping us continue to bring Pensacola a top notch baseball training facility.

We are looking for companies wanting to get their name in front of multiple target markets (Men, women, children and business owners) to support a company devoted to promoting good sportsmanship and athleticism. By participating as a sponsor, your organization will benefit from extended exposure through advertising and promotional efforts toward the supporters of both the mini golf tournament and golf tournament.

Please take a moment to look over our enclosed proposal and choose a level of sponsorship that works for your business. We look forward to including your business as part of our team. Thank you in advance for your time and consideration.

If you have additional questions regarding our sponsorship opportunities or need more information please email at wfhammerheads23@gmail.com.

*If you and your staff would like to play in one of our tournaments registration is available online at www.westfloridabaseballacademy.com.
