I would like to thank everyone who participated in or helped make our UFO Completion contest a success. It would not have been fun without you. Congratulations to our Queen Ellen and Jeanette for outstanding quilts. Your quilts are definitely heirloom quality. Several ladies suggested we do it again next year, so start working on those UFO's.

I am up to date on the Mystery Quilt, Janet is organizing. I have my 32 6 1/2 pieces ready to go for the next instruction.

I am looking forward to seeing the end result. Carol is working on I Spy for young children. She needs more of the I SPY panels: they are about 6 1/2 inches wide and the letters can be sewn by embroidery, or applique.

Be sure to attend the March meeting, M and M sewing will give us an overview of their classes, and programs, we will need your assistance to choose wisely. They also have a quilt retreat that several ladies are interest in.

So Happy Quilting, see you March 15,
Joyce
