From the President's Desk:

This months reminders:

The stream will be closed, by Pa Fish Commission permit, to all fishing from 8am Friday May 10 through 8am Monday May 13th for our Kids Fishing derby and Mothers day fishing events. Please do not fish on the grounds unless you are a kid, or a mother.

The entire grounds will be closed to members for the annual Youth Field Day, Saturday June 1st.

Elections are just around the corner, nominations close during the open meeting, Tuesday evening, May 21st. Please contact me, or any board member if you would like to be a part of it all.

We are still taking applications for our live in caretaker position. Please contact Board Chair Howard Thompson if you are interested.

The trout group is looking for more folks to help stocking operations, especially kids, the kids are really loving it!

April 11th there will be a "trout in the classroom" release in our stream by South Eastern School district. Please be aware, expect school buses, and let them do their thing.

Thanks to the 15 dedicated members who came to the club work details on March 16th. We got a lot done and had a nice day. Despite the typical 1% of chapter membership participating we are ready for mowing this spring. We are hoping for a better turnout at our next clean up day on April 28th at 1pm.

22PRS Match

We finally caught a break and had some great weather for our first 22 match of the year. We had 32 shooters come out and enjoy the facilities. Phil Matte managed to walk away with a 50% off Vortex optics certificate from the manufacturer via random draw. We ran 8 challenging stages and not a single shooter cleaned them all. The next match is scheduled for 8/4/19. Results link- <https://practicore.com/results/html/4fce8fc2-dbb5-4ba3-9ad1-87ab240e05eb>.

USPSA

Our first USPSA match will be on April 21st with set up on Friday April 19th at 10am. Our May Match will be on the 12th.

Fun Shoot

Sunday the 31st of March was our monthly steel target FunShoot. Almost 30 folks showed up in a light drizzle to play. They were no unrewarded, the rain stopped, and we all enjoyed some casual free form steel shootin'. Our next one is scheduled for Saturday April 27th. This event is designed with the novice shooter in mind, no pressure, no movement, no timers, just some casual plinking fun. On the other hand, if you want to try your hand at a little multigun, we can help teach you and show you the way to the dark side! See you on the range.

Our Funshoots are almost always the 4th Saturday of the month. For detailed announcements, please visit yorkpistol.blogspot.com, or better yet, subscribe to it!

3 Gun Our first 3 Gun match is scheduled on April 14th with set up on Saturday April 13th at 8am. Please visit our website, and blog spot for changes and dates.

If you have questions about 3 Gun at our club, email us at yorksignup@gmail.com or see our blog at www.yorkpistol.blogspot.com. Remember all ranges are closed on this day until around 3:00 pm. Please subscribe to www.yorkpistol.blogspot.com to be notified of news and events.

Trout Committee

Opening day at IWLA is always a good time, and it is even better when the weather is near perfect! Lots of fish to be caught, and lots of fisherfolk to catch them. The juniors group supplied fresh grilled breakfast, lunch and snacks.

Of special note, is the activity of the IWLA Trout group. We had the pleasure of doing a second stocking at Kiwanis lake in York city, during their Kids Fishing Derby. The kids were happy to see the truck roll in, and were eager to put fish in the lake. It is a nice event, and we are proud to be a part of it. We even got a personal thank you from the Mayor of York City his-own-self!

Want to help? No Experience necessary, any age can help! Questions call Gary 717-968-2544 president@yorkiwl.org

Upcoming Events:

- May 11th will be our annual **Kid's Fishing Derby**. Again we will have plenty of opportunities for volunteers!
- May 12th Mothers Day on the Stream** This mothers day, the stream will be closed to the paternal public. ONLY mothers and kids are permitted to fish on our grounds, by PA Fish Commission permit. This is a great opportunity for mom's to get out with the kids, without dad's getting in the way. Enjoy!

Other News

Orientations - Orientations, where we tour the grounds and discuss rules and features of the club are mandatory for prospective members, and interesting for existing members. The next three for 2019 will be Saturday, May 4th, Sunday, June 2nd, and July 6th. All of these are at 2:00 pm. Everyone is welcome to attend. We meet in the upper floor of the clubhouse. Prospective new members should be reminded that our dues are by the calendar year now.

E-Mail Request - Occasionally, there is a need to disseminate information faster than the newsletter allows, and a phone chain for 1300 members is just unreasonable to manage. If you wish to continue receiving your newsletter by snail mail, you may do so, our having an email address will not change that. Thanks

Buildings and Grounds - Our next work detail of will be Sunday, April 28th at 1pm and Saturday May 18th at 9:00 am.

York County's Veteran Shoot - will be held at Starview Sportmen's Association on June 8, 2019 from 11am to 5:30pm. This event includes a day of sporting clay's, door prizes, and meals. For York County's Veterans, to sign up or for more information contact Phil Baker at 717-266-5987

Road Cleanup - will be held on April 13, 2019 at 8am, please meet at clubhouse, refreshments will be available.

Elections - We are looking for members to run for offices and board positions. If you are interested contact any current officer or board member, omissions close during the open meeting, Tuesday evening, April 21st.

Learn How to Fly Tie - If you ever wanted to learn how to do fly tying. We have someone that is willing to teach a class for beginners, if there is enough interest. We are looking at April or May. Please call me if interested at 717-873-4171 or email drobertson6966@comcast.net. We need at least 10-12 people.

Change to the Constitution and By-Laws - The Board has approved a change to the Constitution and By-Laws pending a vote by the membership. This will be voted on by written ballot at the May 21st membership meeting. Article VI, section D currently states "Alcoholic drinks and/or narcotics and habit forming drugs shall be barred from use on any chapter property or at any chapter function. The amended clause would read "Narcotics and habit forming drugs shall be barred from use on any chapter property or at any chapter function. Alcoholic drinks may be possessed on chapter property only in very specific circumstances approved by the board of directors."

Additionally, the Ground Rule stating "The use and/or sale of beer, drugs, or alcoholic beverages are positively prohibited, as stated in the Constitution (Article VI-D)" will be changed to "The use and/or sale of narcotics and habit forming drugs is positively prohibited, as stated in the Constitution (Article VI-D)" and the ground rule "Alcoholic beverages are prohibited on club grounds except for specific circumstances where they are approved by the board."

These changes will allow rentals to have alcohol with prior board approval, and an additional fee for alcohol use will be reflected in a new use of grounds form. They will also allow the chapter to allow alcohol at certain chapter events such as pig roasts etc. The chapter does not intend to supply alcohol, but may allow individuals to bring beer or wine to such events, as approved by the board. Alcohol will never be allowed at the ranges, and every use will set very specific times, dates, and locations where it will be allowed.
