*** Want to be better prepared for second term teaching and report cards?*

*** Mentorship Facilitator, Patricia Pain, invites all new teachers to an Understanding by Design session at the school board office. She will do a brief overview of term previews, unit planning with the end in mind, data collection and creation of report card templates.*

*** Following this, there will be a working session where you will be able to plan and collaborate with colleagues. Patricia will be on hand to support as needed.*

Doors open at 3:30; Session begins at 3:45.

Dinner will be served.
