BLACK HISTORY FACTS

September 1968: Kate Tilman (Rabbinit Katie Goldberg) was one of the two first black students to integrate the Chadwick School, an all-White private school in Palos Verdes, CA. The school still exists today with a very diverse population. The school's founder, Margaret Chadwick once stated "It is to be hoped that the winds that blow so vigorously across our beautiful acres will one day sweep away all prejudices."

If you know of a former or current CTB member who has made history, please share!
