POLO CHRISTMAS FESTIVAL

On Saturday, December 2, 2023, the Polo Chamber of Commerce held their annual Christmas festival with the first-ever Parade of Lights. From D.J Sanders, Polo Christmas Festival Committe president “The parade was better than we anticipated. We anticipated only a couple of participants, and we have over a dozen sign up.” Events ran from 8 a.m. to 7 p.m. and were held throughout town. Thank you for everyone who came out and supported our local businesses!

RIBBON CUTTING FOR THE CITY OF POLO'S ELECTRIC VEHICLE CHARGING STATION

On Friday, December 1st the City of Polo held a ribbon cutting for the City's first electric vehicle charging station. The charging station was part of Polo's participation in an initiative to help local governments prepare to meet a growing demand for electric vehicles and EV charging infrastructure has reached its end, but the work completed remains. The goals of the charging station were to get on the map and to bring people to our community that will have to stick around for a couple of hours. They will stop at our restaurants and our businesses since they will need to charge their vehicle for several hours.
