FROM THE COMMANDER

Well, here we are in Turkey Month, where you will have to deal with weeks of leftovers. All joking aside we are headed into another busy Month at the post. Things are growing fast and you don't want to miss it, so come on down and enjoy the comrradery that belonging to the VFW officers, Last Month was wild with a winner of our Queen of Hearts drawing and the Fall conference in Orlando. I am proud to announce that Post 4225 was honored as an All American Post. That honor is only given out to the top 25 VFW Posts in the State of Florida as nominated to VFW National Headquarters. I want to thank everyone who worked to make this Award posble. Knowing I say this in every letter, I am going to repeat it again. Membership, participation and volunteering are the only things that keep a Post growing and open. This is your Post so let's all of us contribute to it's growth and progress. A big thank you goes out again to our Auxiliary for everything they do that makes many of the things you enjoy happen. I hope to see all of you at the Post soon,

See Ya at the Post

In Comradeship,

Fred Sailor
Post Commander

FROM THE HOUSE COMMITTEE CHAIRMAN

Welcome to November and the start of the holiday season. We have not been open for Thanksgiving the last couple of years due to most of our members and bartenders spending time with their family or friends at home. So with that in mind we will be closed on Thanksgiving Day. Please be safe if you're traveling and have a great day. We have had a couple of plumbing issues recently that have cost the post almost \$1000.00. These issue have been caused by individuals flushing stuff down the toilets that should not be flushed. Sanitary napkins should not be flushed down the toilets!!! Big handfuls of toilet paper should never be put in the urinals!!!. These types of things costs hundreds of dollars to get removed because iof clogged drains. Continued.....

.....Continued

I would like to ask that if there is an issue that needs to be discussed with me regarding my position here at the Post that you don't do it at the bar. Please ask me to step away and I will be glad to address your concerns. Please remember that I need my personal time too. We have a House Committee meeting every month and you are more than welcome to attend and we will listen to concerns and try to address them.

Richard " Skeeter" Burgess
House Committee Chairman
Post 4225

FROM THE CANTEEN MANAGER

I would like to say a big thank you to everyone that has been coming in and supporting our Canteen. We have some drink specials on Mondays, Tuesdays; and Wednesdays so come take advantage of them..

See the Monthly Calendar later in this newsletter. We will be trying some new things coming up later this month and December so stay tuned for updates.

I have been hearing a lot of comments about changing our Canteen hours so that we are open later. I would like to remind everyone that we must stay open until our scheduled hours at a minimum (12pm until 7pm.). We can and will stay open after 7pm if we have 5 or more patrons without changing our hours. If you come in right at 7pm our bartenders may have closed out the register and given last call at 6:30pm they can't reopen at that point. If you show your support by building these slower evening up where it's profitable we will do our best to accommodate later hours on a full time basis.
